The Club

Greetings to all! Welcome to the 2008/2009 & 16th season of the Munich International Ski Club e.V. The new council spent the summer planning for the current season. We are now ready to offer you a great season of fun filled, hopefully snowfilled, ski/snowboard trips. As always we will try to offer a variety of interesting events that are affordable and fun for kids of all ages.

I would like to recognize the previous years' councils and volunteers for their great work. Without them, our club would not be as successful as it is today. Thank you!

This season started off with our annual BBQ by the Isar. We had a great day - the rain held off and we just about made it with the self cooling beer until the end. Many thanks to everyone who helped out!

The Club

As expected, the coming season will bring with it some changes. First, we have added new locations to the Day Trip list and we hope you like them. Second, we have changed the schedule around – instead of the traditional Livigno trip, we have organised a new location called Madonna di Campiglio which is already proving to be a popular. We are looking into some other long trips and as the final details become available they will be online.

Now that we are ready to take on the challenge of the coming season, I hope to see all the old faces and many new ones too. Keep in mind, the club's success depends on everyone's involvement, so if you would like to run a trip or event, feel free to contact any council member!

Enjoy the season!

Schi Heil!

The Club

Viele Grüße an Euch alle!! Willkommen in der 2008/2009er Saison des Munich International Ski Club e.V. Der neue Beirat hat den Sommer über einiges geplant.

Nun können wir Euch eine tolle Saison mit viel Spaß und hoffentlich auch viel Schnee bei den Ski- und Snowboard Ausflügen anbieten. Wie immer, haben wir uns bemüht, eine Reihe von interessanten Events bieten zu können, welche sowohl für den Geldbeutel erschwinglich sind, als auch für Kinder in jedem Alter Spaß machen.

Wie erwartet, gibt es einige Änderungen dieses Jahr: neue Gebiete für die Tagesausflüge sowie eine Umstellung dem Zeitplan. Madonna di Campiglio wird dieses Jahr anstatt Livigno unsere Ostern Reiseziel sein.

Haltet Euere Euros für den Kauf der Schipässe bereit!

Wir hoffen, alte wie neue Gesichter zu sehen. Der Erfolg des Vereins hängt von der Anteilnahme von Euch allen ab. So, falls ihr Lust habt, einen Ausflug oder einen Event zu leiten, mitzuorganisieren, dann melde Dich bitte bei einem der Beiratsmitglieder.

Viel Spaß! Schi Heil!
